Engagement Principles

How would it look like to participate as a member organisation of BD Collective?

A large, solid cyan circle containing the text 'Welcomed and respected'.

Welcomed and respected

Welcome diversity, experience, engagement & constructively identifying areas of improvement for growth

A large, solid purple circle containing the text 'Different points of view'.

Different points of view

Varying perspectives help us be productive; instances where difference on POV are challenging, members can request support from board to facilitate resolutions

A large, solid cyan circle containing the text 'Clarity on roles during meetings'.

Clarity on roles during meetings

Member org representatives may have other roles that may present conflicts of interest - clarity on which "hat" a person is wearing should be standard practice to avoid confusion

A large, solid purple circle containing the text 'Stewardship of the CBS'.

Stewardship of the CBS

BD Collective will be member-led, stewarded by board (formal governance) + board & staff for strategic & administrative support

Questions we already received

Q: What happens when a member doesn't abide by our principles? Would be good to have a clear "out" as well as "in" process.

Termination of Membership

14. A Member shall immediately cease to be a Member of the Society if they:
- (a) Are no longer eligible for membership.
 - (b) Fail to pay the annual subscription (if any) within three months of it falling due.
 - (c) Fail to hold the minimum shareholding.
 - (d) Resign in Writing to the Secretary.
 - (e) Transfer their share to the nominee of another unincorporated body (if they themselves are a nominee of an unincorporated body).
 - (f) Fail, in the reasonable opinion of the Board, to participate in the Society for a minimum period of 12 months and the Board resolves that they should cease to be a Member.
 - (g) Are expelled from membership in accordance with these Rules.
 - (h) Die, are wound up or go into liquidation.

Expulsion from Membership

15. A Member may only be expelled by a resolution of the Board at a Board Meeting after the Member has been provided with at least one month's notice in Writing of the Board Meeting setting out the grounds for expulsion. The notice shall include an invitation to the Member to attend the meeting providing them with an opportunity to make representations to the meeting or, at the option of the Member, an individual who is there to represent them (who need not be a Member of the Society) to make representations on their behalf.
16. At the Board Meeting called to consider the expulsion, the Board shall consider the evidence presented. If the Member fails to attend the meeting, it may proceed in the Member's absence.

Questions we already received

Q: I understand that you have not included arts and culture directly as a theme as there are other networks for this – but I am interested to know where the intersection with those charities and CICs operate?

Q: How do we ensure we have representation from smaller groups and organisations?

Suggestions received so far

- ***A network or sub-group on disability & inclusion***
- ***Mentoring opportunities / directory at an affordable fee***
- ***Clarity on consortia opportunities***
